

EMPOWER

Processing

It's about
the choices
we make.

Empower Processing, in cooperation with our merchants, is a proud supporter of charitable organizations that support America's military veterans as well as other worthwhile organizations. When a customer makes a credit card purchase at a participating merchant, 10% of Empower's Net Collected Revenue (defined as total fees collected from the merchant minus any card association fees and assessments) is donated directly to named organizations.

Become an Empower Merchant

- ★ A customer makes a purchase with a credit or debit card at a participating merchant.
- ★ The merchant processes the transaction through Empower Processing.
- ★ Empower collects the processing fees for the transaction from the merchant.
 - ★ A portion of these fees are then donated directly to a veteran charitable organization.
 - ★ The named organization receives ongoing and recurring financial support.
- ★ If you currently have a merchant account with another processor, we can easily change over your processing to Empower and you can immediately begin supporting the programs of the named veteran organization.
- ★ If you've never accepted credit cards at your business, one of our sales representatives can provide you with all of the information you need to open a merchant account, including pricing, terminal options, how the process works, and how you receive your funds.

Benefits of Using Empower

- ★ As a participating merchant, you are automatically contributing to the support of military-based charitable organizations and providing tangible benefits to our American veterans.
- ★ Empower will likely match or lower the pricing in your current Merchant Plan.
- ★ Monthly, Empower will donate a portion of its revenues directly to the named veteran organization.
- ★ There is no cost for you to participate in the program.
- ★ Save money on your overall processing costs.
- ★ Receive exceptional customer service and prompt attention to your questions or concerns.
- ★ Increase your revenue by advertising your participation in the program.
- ★ Know that you are making a difference in the lives of America's heroes.

It's your decision.
Choose to make a
difference in the
lives of our veterans.
