EMPOWER
Processing

Throughout the years, the Veterans of Foreign Wars Foundation has served as the official charity of the Veterans of Foreign Wars of the United States (VFW), America's oldest and largest organization for combat veterans. The VFW Foundation supports a wide range of programs and services for veterans, active duty military and their families. All VFW Foundation programs are free and require no VFW affiliation for assistance. From financial assistance for families of deployed troops to assisting veterans with benefits claims to providing free phone calls for soldiers overseas, the VFW Foundation is there to provide assistance to those who deserve it most.

Now local businesses have the opportunity to support their local VFW Posts and those individuals who have served, or are currently serving, their communities.

The VFW Foundation chose Empower Processing as the exclusive provider of credit card processing services for their "Return the Favor" campaign. Because of our strong commitment and support of the VFW Foundation, Empower will donate 20% of our revenues to the VFW Foundation and 10% of our revenues to your local VFW Post from credit card transactions through local businesses.

*Let them know they aren't alone.
